

Cadus Tupungato Malbec

High quality Malbec from this standout producer.

Cadus is a perfectly formed winery near Tupungato, in the shadow of the Andes Mountains, within the Uco Valley. This high altitude region has quickly built a reputation as the home of premium Mendozaan wines and the Cadus range is no exception. The soil profiles and compositions within the Uco Valley vary within short distances, allowing for different grape varieties and resulting in wines styles with unique characteristics. Cadus wines are classic in style but with a very modern twist thanks to the vision of winemaker Santiago Mayorga (Young Winemaker of the Year 2017) who is quickly forging a reputation for bright, lifted expressions of wine from the region, with access to some of the best vineyard sites in Mendoza.

The focus is on small productions of high quality wines. Gualtallary is a charming micro region located in Uco Valley, Mendoza. Located at an altitude of 1300m asl (which gives intense cold night temperatures), the terroir is outstanding with limestone, sandy and rocky soils.

The combination of altitude (1300m) and rocky soils provide a platform for Malbec to excel. Intense purple in colour, the wine displays great depth of black fruits, fresh herbal notes and spice. The palate is elegant with lovely weight, bright black fruits and fresh acidity. The finish is long and has silky tannins.

Enjoy with roasted lamb, red meats, and the perfect match to the traditional "empanadas" from Argentina (home made meat pies). Or perfect as a comforting, fireside wine.

Producer: Cadus

Winemaker: Santiago Mayorga

Country of origin: Argentina

Region of Origin: Mendoza

Grapes: 100%

ABV: 14.5%

Closure type: cork
