

2014 Single Vineyard Chenin Blanc

From a single block of Chenin Blanc this wine was picked to obtain the vibrant tropical characters that this grape exhibits; natural residual sugar remains giving the typical demi-sec style.

Think of this as a Vouvray 'demi-sec', then try this wine and think again! You will be rewarded with a gorgeously quaffable wine with finest Margaret River intensity, which is a smash hit with wine newbies and a guilty pleasure for the crusty connoisseur.

Enjoy immediately or watch it develop over the years if you have the self control
