

## Chateau Lamothe Vincent Reserve Blanc

Founded in 1920, the Château at Montignac has for four generations produced generous wines that have been regularly awarded at various national and international competitions. The diversity of terroirs in the estate's 90 hectares makes it possible to produce wines with expressive aromas and remarkable delicacy.

Fabien & Christophe's super white remains absolutely stunning. 90% crisp, zingy gooseberry Sauvignon Blanc with a lick of Semillon to round it off. Aging on the lees for around three months adds an extra dimension.

Aromas of peach, apricot, gooseberry, citrus and some minerality on the nose leads to a very pleasant palate of exotic fruits, peach, citrus and minerals. Good balance between acidity and roundness, the wine is beautifully structured.

Producer: Lamothe-Vincent

Winemaker: Fabien Vincent

Country of Origin: France

Region of Origin: Bordeaux

Grapes: 90% Sauvignon Blanc 10% Semillon

ABV: 12.5%

Closure Type: cork
